

Tennessee Golf Foundation  
Junior Golf Program Policies

It is our goal to ensure that each of our students has a safe, enjoyable and productive learning experience. As such we ask that all participants abide by the following policies throughout the course of their program.

**Student Safety:** Safety is our first priority and as such we must require that all students adhere to all program safety rules at all times. Failure to follow the prescribed safety rules will result in removal from the program and if unsafe behavior is repeated the student may be removed from the remainder of the program.

**Golf Etiquette and Courtesy:** Students are at all times expected to behave in a courteous manner consistent with expected golf course and program standards. Disruptive behavior or actions that may cause damage or injury to the golf course, equipment, any other student or staff member is not acceptable and may result in removal from the class session or in the case of repeated infractions the student may be expelled from the remainder of the program. Abusive or profane language or other disruptive dialogue that detracts from the enjoyment and learning opportunities for other will also not be tolerated.

**Class Observation:** Parents/guardians are welcome to observe. We ask that parents/guardians respect the boundaries of the program and observe from a reasonable distance unless invited to engage in the class by the instructor. Please feel free to encourage and congratulate your child when appropriate, but also please refrain from any criticism or unsolicited instructional advice during the actual lesson.

**Special Needs:** Please notify us prior to the first class session if your child has any medical conditions, allergies or other special needs of which we should be aware.

Thank you and we look forward to a very rewarding and enjoyable learning experience for your child.
